Humanitarian Works

KID-AFAN Institute Foundation focuses on educational development, healthcare improvements, and leadership. We provide scholarship grants to students, build schools in underserved communities, and offer medical assistance. The company also provide tuition assistance to KID-AFAN employees through the humanitarian branch.

A humanitarian gesture to benefit students at the Leicester Road Community Pre-Primary School in an effort to contribute to nation building. Thereby, complementing the effort of the government in Sierra Leone.

MOVIES

KID-AFAN FILMS is an entertainment and movie production division of KID-AFAN Company Limited. Our mission is to project and transform the movie industry in Sierra Leone through compelling storytelling that highlights the country's best images and facts.

Currently, we are collaborating as executive producers on several exciting projects, including "Bormeh," "Damaged," and "Brave Quest." These films involve brilliant Sierra Leonean movie producers and are expected to be released soon. We've already begun shooting some scenes in the United States of America and plan to continue filming in Sierra Leone over the next few months.

Discoveries/News

On the major discovery news of this month, the team covered significant stories, including the Faceless Protest in Sierra Leone on June 19th. Citizens are concerned about this subject. Additionally, the Orphan Empowerment Society provided feeding to 150 orphans in four orphanage homes.

One of our company's movies, "The Scuffle," was honored with the Best Sierra Leone Movie and Best Sierra Leone Lead Actress awards at the SLAAM Awards.

Partnership

KID-AFAN FILMS is actively partnering with SierraFlix to produce a movie titled "Bormeh Series." Additionally, we're collaborating with Adeyemi Lardner on a film titled "Damaged."

On a related note, KID-AFAN Institute Foundation, our humanitarian branch, focuses on educational development, healthcare improvements, and leadership. We provide scholarship grants to students, build schools in underserved communities, and offer medical assistance. Our goal is to empower young girls and boys to become leaders and role models, driving positive change and development in society.

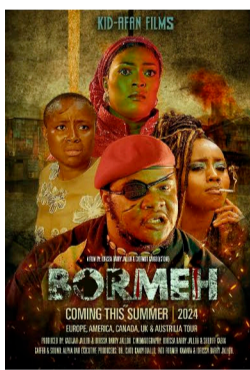

Collaboration & Upcoming Projects

The company is currently working on a movie titled "Brave Quest," for which it serves as the sole executive producer. The story is brought by Shitta Deen Jawara (Salone Cool J) and written by Ishmael Gbessy Kanu. Production of the movie began on June 8, 2024. Good for the first part of Brave Quest.

KID-AFAN FILMS and SierraFlix are planning to premiere the "BORMEH" series around multiple continents from the UK, Canada, USA, and other European countries.

We're also excited to announce the movie premiering of another collaboration between the Ironmaster Production, KID-AFAN FILMS, and FATTY'S HBS titled "Damage" that is set to premiere on the 18th of August, 2024 in Maryland at the Greenbelt Theatre, USA.
